Dear Mr. Homrich,

Glad to know the information we previously emailed you on HUD Section 3 was helpful. The two outstanding questions you pose are best addressed by Barry Ellentuck or representatives from the Building, Safety Engineering and Environmental Department.

Elizabeth,

Thank you for the information, the FAQs were especially helpful. I still have a couple of outstanding questions;  
1) Are the section 3 requirements to be incorporated into our current contract? 2) Will you be deciding whether or not our contract will be terminated if we don't comply with the Section 3 requirements? If so, please call me.

Thanks again,

Dear Mr. Homrich,

Attached are copies of the HUD Section 3 Frequently Asked Questions (FAQ) and the City of Detroit, Section 3 Business Concerns Listing noted as of 12/2/2011. Business Concerns on this list are verified eligible and certified by the City of Detroit, Planning and Development Department, Section 3 Coordinator. Please note the City of Detroit, Section 3 Business Concerns Listing is periodically updated by Ms. Shirley Scott, Section 3 Coordinator. You may also access both documents online via the City of Detroit, Finance-Purchasing Division web site. The Finance-Purchasing Division link appears below:

<http://www.ci.detroit.mi.us/DepartmentsandAgencies/Finance/PurchasingDivision/VendorInformation.aspx>

Another resource to identify Section 3 Business Concerns, is the HUD Section 3 Business Registry. The Detroit area is one of five pilot cities for the HUD Section 3 Business Registry. Business Concerns on the HUD Section 3 Business Registry self-certify their Section 3 eligibility. Consequently, their Section 3 eligibility must still be verified. On Monday, January 30, 2012, HUD officially launched the HUD Section 3 Business Registry in Detroit. The

Shirley, although you indicated the report was due over the weekend on September 30th, management still wants you assemble the information you have today (October 1st) so that you can submit an electronic submission today. Rob and Marja is in the office today to sign the cover letter to show proof of authorization before submission. Please obtain one of their signatures before you submit the report electronically today. Just in case, please have 2 cover letters ready, one from the Deputy and the other from the Director and whomever is available can sign the document. Also, Renee Cunningham is cued up to assist you with the electronic documents if needed. Please advise if you need assistance with anything to aid in getting the report in today. **Attachments:** UPDATE

Shirley, just to reiterate our conversation earlier today regarding the status of the Section 3 Annual Report that was due Sept 30/Oct 1, the report you forwarded to me for review this past Monday (Oct 1st), was for the CDBG activities only. You stated that you could have the remaining reports for the other grants (i.e. NSP, HOME) completed and ready for submission by the end of today, October 5th. We also discussed (again) that management wanted the reports submitted with information received thus far and that as needed, revisions will be submitted should additional information be received.

Finally, although the reports will be submitted electronically, please be reminded that we need to provide evidence of management's approval before submission. So again, please draft a cover letter for Executive Management's (Director/Deputy) approval. Please remember to include hard copies of the support documents with the letter. Just in case, please have 2 cover letters ready, one from the Deputy and the other from the Director and whomever is available can sign the document. For questions, please see me. Thanks

Dear Mr. Brochu,

Thank you for the opportunity to address your questions about HUD Section 3. Your call was forwarded to me by Ms. Lena Willis, Finance-Purchasing Division. Currently, the City of Detroit, Finance-Purchasing Division, HUD Section 3 Compliance Office is primarily directed to monitor and address HUD Section 3 compliance for the City of Detroit's pilot Demolition Program. However, I emailed you a copy of the HUD Section 3 Frequently Asked Questions (FAQ) to address some of your HUD Section 3 questions. I hope the HUD Section 3 FAQ was helpful. If you have additional questions about HUD Section 3, please contact Ms. Shirley Scott, Section 3 Coordinator, City of Detroit Planning and Development Department, Finance and Resource Management Division, Labor Standards Unit (313-224-2378) or [SScott@detroitmi.gov](mailto:SScott@detroitmi.gov)

Additionally in our conversation on Friday, you mentioned the Focus Hope construction project that you plan to submit a proposal for will be reimbursed by City of Detroit HUD funds. I verified that Mr. Carl Weber, Facilities Architect, Focus Hope is coordinating the Focus Hope project with the City of Detroit Planning and Development Department, Real Estate-Development Division. Some of your questions about local prevailing wage determinations may be answered by visiting the Department of Labor web page. Use the Selection Criteria for States and Counties. I've provided a link below.

If you have more specific questions regarding the Davis Bacon Prevailing Wages, please contact Ms. Valeria Miller (313-224-9002) or Ms. Angela Thompson, City of Detroit Planning and Development Department, Finance and Resource Management Division, Labor Standards Unit. You may reach Ms. Miller or Ms. Thompson by email:

Dear Ms. Miller,

From the e-mail below I do not see a stream of evidence where the reports have been reviewed by you and approved by the Director. Also, in the e-mail you are mentioning cover letters, if that is the procedure this year could you please provide me with cover letters that will show evidence of approval for the following reports:

CDBG - HUD 60002 Report  
CDBG-R HUD 60002 Report  
NSP-1 HUD 60002 Report  
HOME HUD 60002 Report

Please, let me know if you have any questions.

Hello Ms. Miller,

Per my discussion with Ms. Scott, it appears that the process is still the same for Section 3 Summary Report as last year. Ms. Scott is the one who prepares the reports and Ms. Miller is the one who reviews the reports. Could you please provide me with official communication (last year it was via e-mail) that the reports are reviewed by Ms. Miller for the following:

CDBG - HUD 60002 Report  
CDBG-R HUD 60002 Report  
NSP-1 HUD 60002 Report  
HOME HUD 60002 Report

Please, let me know if you have any questions.

Stella

Shirley, while mishaps do occur, the expectation is that the author of reports (you in this case), will apply careful attention in completing documents free from errors. The reviewer of your work should only need to do a cursory review. But even with that, obviously mistakes can still occur. I apologize for not catching the errors and pledge to review your work more closely in the future.

Secondly, you are also expected to follow up with the various team leads, division heads and/or other departments for requested information on a consistent basis. We can not continue to submit late or incomplete reports with the excuse of waiting for staff, other divisions and departments to submit information. Therefore, effectively immediately, the following procedure must be used in preparation for the annual reports:

1. You are to make quarterly requests for information throughout the year within 2 weeks after a quarter ends, from the various divisions and departments with projects subject to Section 3. This request must also be made to the Labor Standards Manager, as well. The first quarterly request must be made no later than April 12, 2013. Please advise if you are unaware who to forward a request to.
2. Information requests must be made in writing (preferably via email), with copies to me or whomever serves as your manager or supervisor to show evidence that you requested the information. Please advise if you do not receive a response within 2 weeks after the request is made.
3. As the annual report is due to HUD by October 1st each year, a last request for information for that years' report must be made to staff no later than the first business day in September. If staff do not respond or comply within 2 weeks before the report is due, please notify me (or your designated manager or supervisor) and/or Marja for assistance.
4. To ensure sufficient review and approval time, the completed draft report must be submitted to me no later than 1 week before the report is due to HUD. The draft must include an approval cover sheet (that you will create), where I (or your designated manager or supervisor) and the Deputy Director or Director will initial to evidence review and/or authorization of the report. Upon my sign off, you are to draft the cover letter for the Director or Deputy Director's signature and forward the complete packet to their office as directed. Upon their approval, you are to forward copies of the complete authorized packet (including the signed cover memo and approval cover sheet) to me (or your designated manager or supervisor) and the Director or Deputy Director based on which person signed the cover letter, within 24 hours after the packet is submitted to HUD. If the reports are emailed, I (or your designated manager or supervisor, must be copied on the email submission.
5. Should you discover that revisions are needed to the reports after submission to HUD, please draft a memo (with your signature) to the Director or Deputy Director explaining the purpose of the revision and follow the same approval procedure under #4 above for the revised reports. Your memo must be attached to the revised packet when submitting for approval. The cover letter for the Director or Deputy Director's signature must also include the purpose of the revision.
6. No reports are to be submitted to HUD without proper management approval.

For questions regarding this process, please see me. Thanks

>>> Shirley Scott 2/14/2013 12:31 PM >>>

I think you requested information from Housing Services in September of last year. If you cannot get the information and I cannot get the information, the director or deputy will have to instruct them to provide the information requested when due. Purchasing and Landbank had nothing to report. Angela accidentally submitted her information late, but I at least had the opportunity to submit something with the information she provided. There will be audit findings because of the review process. If they find simple errors like a date or a wrong figure, they will know that it is because the forms have not been reviewed.

Management needs to enforce Section 3 in the day-to-day operations of the department.

Re: City of Detroit

To Whom It May Concern:

Attached please find Complaint against the City of Detroit.

The retaliation against me is ongoing. I believe I need the intervention of a federal judge to assist me. However, I have not found a prevailing case where a municipal employee or private citizen can file a claim of retaliation against an employer under Section 3. My salary comes from federally assisted funds, and I am unable to perform the duties associated with this essential service because of the retaliation tactics of the Mayor, director and deputy director, and manager II of the Planning and Development Department.

More importantly, the residents of Detroit are not receiving the economic opportunities they are entitled to. I cannot force the City to enlist my services in the pre-bid process or allow me to enforce compliance by withholding payments. The Financial Resources Management Division needs to be restructured. The Complainant should have enforcement authority. Representatives of the City think I can take a Notification of Contract Award Form and report on Section 3 Compliance. Compliance with Section 3 is not that simple. I have requested a meeting with the Mayor, but again there was no response. City officials turn a deaf ear with regard to Section 3, and I believe it is illegal to coerce an employee into reporting contractual information, when the employee cannot verify what contracts were actually awarded and the funding source used.

I hope to finally resolve this issue with the City with an official complaint from you. If you need additional information, please feel free to contact me at (313) 224-2378 or (313) 469-3984.

Warm regards,

Shirley Scott

**From:** Valeria Miller

**Subject:** PROJECT INFORMATION  
**CC:** Angela Thompson

Shirley, in an effort to provide you as much information as possible for Section 3 purposes, please be advised that Labor Standards will begin forwarding you copies of the "Request for Wage Decision" as received by the project managers. These documents include the project funding information that will assist you in identifying and tracking the funding source for the contract awards, as listed on the copies of the Notification of Contract Award (NOCA) Forms received from the Labor Standards Team. Please be reminded that the NOCA letters are prepared by the contractors and vendors who generally are unaware of the specific funding source (i.e. HOME, CDBG, NSP) on a project. However, as you begin to receive NOCA documents for future projects, you will notice that an "Internal use only" box has been added on the revised form. Feel free to use this area on the copies you receive to document the appropriate funding source for the stated contract, as identified on the copy of the "Request for Wage Decision" previously received. Should you find that our department provided multiple funding sources on a contract (i.e. HOME & NSP), you may need to contact the project manager for clarity as to the financing for each contract award on the project. For example, the NSP dollars may be used for acquisition and the HOME funds are allocated for rehabilitation work. So again, hopefully this will better assist you in tracking the contractors' awards throughout the year for Section 3 purposes. For questions, please contact me. Thanks

In re:  
City of Detroit, Michigan,  
Debtor.

Chapter 9  
Case No. 13-53846  
Hon. Steven W. Rhodes

Order Denying Motion for Relief from Automatic Stay

On August 2, 2013, Shirley A. Scott filed a motion for relief from the automatic stay to pursue a "Retaliation Case against the Debtor." The City of Detroit filed a response to the motion on August 16, 2013. The Court has fully considered both the motion and the response and finds that a hearing would not aid the Court in its decision. The Court holds that there is no cause for relief from the automatic stay. Accordingly, the motion is DENIED.

Re: Reinstatement/Rehire and Whistleblower Protections

Dear Mayor Duggan:

Anti-retaliation laws were put in place to protect employees who report non-compliance with the law to supervisors or to government regulators. Whistleblower protections take a number of forms such as prohibiting employers from “discriminating,” “retaliating” or taking “adverse employment actions” against employees for “filing complaints,” “making protected disclosures” or reporting wrongdoing to government regulators with authority to investigate and stop the wrongdoing. After four years (4) of reporting non-compliance to City of Detroit Planning and Development Department’s administrative staff, the former Mayor’s Office, and former City Council persons, I filed a federal complaint against the City of Detroit because the City was non-compliant with Section 3 of the HUD Act of 1968, Complaint No. 05-11-006-3.

Compliance Whistleblowers who report wrongdoing in violations have protection under more than one law. Under federal laws, the Compliance Whistleblower can obtain reinstatement, back pay and compensatory damages for reputational harm and pain and suffering if an employer takes any of the following “adverse actions” against a Compliance Whistleblower:

- Firing or laying off
- Blacklisting
- Denying Promotion
- Suspension
- Failure to hire or rehire
- Intimidation
- Making Threats
- Reassignment affecting prospects for promotion

*\* Tried to  
work  
Under  
new  
Administration*

As a Compliance Whistleblower, all of the above "adverse actions" have been taken against me except "firing or laying off." I requested early retirement in March 2013 after having been suspended for insubordination by Valeria Miller, one of the Defendants in a closed case I have against her and the City of Detroit, in violation of the Whistleblower Protection Act of 1989 and in retaliation for having filed another federal complaint against the City of Detroit in February 2013 for non-compliance with Section 3 of the HUD Act of 1968 and fraud in contracting.

Although I have not obtained counsel to represent me with regard to the Whistleblower Protection Act and the False Claims Act, I am still entitled to be reinstated by the City of Detroit. Gary Brown is a Whistleblower. Mr. Brown sued the City of Detroit, and a Wayne County jury awarded him over \$3 million dollars in damages. Mayor, if you can appoint Mr. Brown as part of your administrative staff, with all due respect sir, I can be reinstated to manage Section 3 Compliance. Failure to rehire or reinstate me, no response will be construed as a denial to rehire/reinstate, will be in violation of the Whistleblower Protection Act and Sex Discrimination under Title VII.

On March 7, 2014, I met with Cassandra Farley of Human Resources and requested to be reinstated. As of today's date, I have not received the form to sign to be reinstated. This letter serves as a formal request to the City of Detroit for reinstatement. Should the City of Detroit create positions or contract positions with regard to federal compliance and/or monitoring and deny me the opportunity to apply and/or be reinstated, the City will be in violation of the Whistleblower Protection Act and other federal laws.

I could not rescind my early retirement request last year because my mother was diagnosed with bladder cancer, and I had to provide care for her. Dr. Frank of Channel 4 did an informative documentary on her, and she is featured in DMC Neighbors Spring 2014.

If you have any questions or need any additional information, please contact me at (313) 469-3984 or correspond at the above address.

Regards,

Shirley Scott
